

RITESH PUVVADA

COMPUTER
SCIENCE
STUDENT

/ ALL ABOUT ME

I am a responsible individual with a strong passion for technology and its growing development. Being confident in my ability to come up with interesting techniques for debugging, I am a motivated individual focused on the results. I keep myself busy by upgrading and expanding my skill set through mentorship and challenging projects.

/ EXPERIENCE

>> Event Manager

Null (InfoSec) Chapter. | VIT AP

> October 2020 - July 2021

> Managed various online hands-on sessions that helped my leader skill qualities grow
